SUBJECT: **Continuing Education – May 2017**

---

With the warmer weather rapidly approaching we will take a fresh look at Trauma. During the month of May we will review the State of Ohio Prehospital Trauma Triage Rules. A small amount of time will then be designated to reviewing geriatric specific traumatic injuries. Lastly, we will put our talents in motion as we navigate through hands-on trauma scenarios.

In preparation for May CE I ask that you take time to review the following protocols:

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact Brent, Aislinn or myself.
