SUBJECT: **Continuing Education – January 2018**

---

Season's Greetings! I hope this memo finds each of you enjoying your time with friends and family as we mark the end of 2017 and the beginning of 2018 in the coming weeks. We have begun preparations for January 2018 CE. During the month of January we will review commonly abused street drugs, taking a fresh look at options within our community that are available to assist us with this ever growing epidemic.

In preparation for January CE I ask that you take time to review the following protocols:

- **Tab 900; Section E: Altered Mental Status**
- **Tab 900; Section F: Behavioral / Agitated Delirium**
- **Tab 900; Section S: Overdose / Toxic Ingestion**
- **Tab 900; Section Y: Universal Patient Care**

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact Brent, Aislinn or myself.
