**SUBJECT: Continuing Education – February 2018**

---

Happy New Year! I hope this memo finds each of you starting off 2018 in good fashion. We have already begun preparations for February 2018 CE. During the month of February we will review **Obstetrical Emergencies / Neonatal Resuscitation with a focus on opiate addicted newborns**. There will also be an expanded announcement section to review some policy and procedural changes that will take place in the coming months – I expect this to be an interactive dialog during each of the classroom sessions.

In preparation for February CE please take time to review the following protocols:

- **Tab 900; Section N: Gynecological / Obstetrical Emergencies**
- **Tab 1100; Section L: Neonatal Resuscitation**

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact Brent, Aislinn or myself.
