SUBJECT: **Continuing Education – May 2018**

---

As we approach the month of May I would like to remind everyone that Emergency Medical Services Week (EMS Week) is **May 20-26, 2018**.

It is with great pride that we take this opportunity to say **Thank You** for your continued professionalism, compassionate care and dedication to our community every day.

During the month of May continuing education classes will focus on you, the provider. **Mental Health for the First Responder** will be discussed. Procedure and protocol updates will round out each of the sessions.

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact Brent, Aislinn or myself.
