SUBJECT: **Continuing Education – June 2018**

---

Finally, Some warm weather!! With the increase in temperatures the number of calls for traumatic injuries generally follows suit. During the month of June we will spend a short time reviewing the State of Ohio Trauma Triage Guidelines. The majority of our time will be spent reviewing our approach to large scale incidents with multiple traumatic injuries. We will focus on the Rescue Task Force concept and host several different hands-on scenarios putting into play the teachings that have been continuously reviewed.

I ask that you take time to review the following protocol:

I look forward to seeing you in the coming month. If you have any questions or comments please feel free to contact Brent, Aislinn or myself.
