Lucas County Information Services implemented technologies to address the need for mobile email, contacts, and calendaring for mobile devices such as SmartPhones and Internet tablets. Use of this technology must be in compliance with all Lucas County Internet, Social Media, and email policies and may be subject to public information requests. Success and limitations vary by device. Your experience may not be optimal. Please contact LCIS for consultation regarding your device if desired. Incomplete forms will not be processed.

Depending on usage, this service has potential to use large amounts of mobile data. By signing this request form you acknowledge that Lucas County is not responsible for any overages on your data plan that may result from use of this service. Only the device listed below will be permitted access, additional devices require approval. We recommend a strong password and setting a device password. Device security is the requester's responsibility. Unauthorized devices will be blocked. If a threat or malicious intent is detected the unauthorized device may be subject to remote wipe.

The device must be registered and activated BEFORE LCIS can process
