

PLEASE COMMENT on proposed changes to Cuba Saturn Park due to Proposed IR475/Dorr St Interchange

The Lucas County Transportation Improvement District (LCTID), in cooperation with the Ohio Department of Transportation (ODOT), proposes to construct a new roundabout interchange on I-475 at Dorr Street. The project would impact Cuba Saturn Park, which is a 5.2103 acre neighborhood park with green space and trees at 6300 Dorr Street that is owned and maintained by the City of Toledo. (ODOT Project ID 99737)

Park Changes:

During Construction:

- ✓ Park access will be maintained at Joanne Place, Calla Lane, and Cuba Street
- ✓ Park access closed at Dorr Street only during construction
- ✓ Temporary construction fencing will be placed between the park and construction

After Construction:

- ✓ New connection from Dorr St. to Saturn Dr. and Joyce Ln.
 - This will change 0.1658 acres from park to access road
- ✓ New 7-Space Parking Lot
- ✓ Add 0.0933 acres to the park
